

The team at MAD is committed to showing how common people like you and us can make a massive difference in our world just by doing what we normally do.

Thanks to our customers we are delighted to show you our total giving since late 2010. This summary is current from 2010 August.

Below is the complete list of causes we have donated to via B1G1.

At anytime you can follow the link on our website to the B1G1 (Buy One Give One) site that independently verifies our giving through them.

On the next page you can see we have donated another **\$66,434** to the organisations listed there. These causes are not part of B1G1 and that is why the giving is listed separately.

- * Gave **93,119** people in need agriculture support for a day
- * Gave **76,980** people access to clean water for a day
- * Gave **14,475** children education support for a day
